

ADMISSION CRITERIA AT College University “CIT – Academic Year 2018-2019

Admission criteria of students of Bachelor level

Canadian Institute of Technology has an open system in the study programs offered.

Canadian Institute of Technology requires that all new students fill an application form in order to be accepted in one of the programs offered by CIT. This form can be filled on-line or in the premises of Admission Office in CIT.

Requirements to be registered at the “Canadian Institute of Technology”:

Finished the high school with successful results in the obligatory and elective exams of the State Matura, and are equipped with the respective diploma in the Republic of Albania. Candidates that have finished the Matura before year 2011, they are not obliged to have completed the elective exams;

1. Have completed the high school before year 2006 with successful results and are equipped with the Maturity Diploma;
2. Have successfully completed the higher education abroad and are equipped with the respective diploma, and have their diploma recognized (equivalence) in the MAS.

Admission Criteria

Students will classify to be admitted in one of the study programs if they meet the following criteria:

1. Diploma of High School (exam of the State Matura), or its equivalent recognized by the Ministry of Education and Sports.
2. High school GPA 6.0 and above.

For Rankings

- For all students who have same average and to get a more accurate rankings of candidates for students, CIT will apply the following formula:

70% Average grade of high school, for all years and 30% the average grade of group subjects rated as important for each study program.

30% of the group subjects for the Faculty of Economy will consist of:

- Mathematics
- Informatics
- Economy

30% of the group subjects for the Faculty of Engineering will consist of:

- Mathematics
- Physics
- Informatics

English Language Criteria

The student candidate must have an average grade of 6 and above of the English language under the compulsory exam or the State Matura exam.

In cases where the candidate has not passed the compulsory or elective exam in the State Matura, the institutional testing (level B1 and above) or any international certification recognized by the MASR (Level B1 and above) will be considered valid.
