

FORM OF ABSTRACT

Title of Paper

(14 points Times New Roman, Bold, Centered)

Name and Surname – 1

The institution where you work (12 Times New Roman, center, for author number 1)

Name and Surname – 1

The institution where you work (12 Times New Roman, center, for author number 2)

Abstract

The summary should be limited to a maximum of 200-250 words. The abstract is a single-spaced, an introduction paragraph, and a summary of the most important elements of the paper. The authors are required to clearly state the content and purpose of their study, including introductions, research questions, applied scientific methods, findings, key results, recommendations, and suggestions.

The abstract should be written in Microsoft Word, 12 Times New Roman, justified.

Keywords: This section should include at most 5 study-related keywords, separated by commas.
(12 Points Times New Roman, Italicize every word)
