# “Your University of Choice”

## Welcome to Canadian Institute of Technology

Established in 2011 as a private university in Tirana, Albania, CIT continues to be a pioneer for inclusion, innovation, and social impact, with more than **14 years of experience**, in the promotion of well-prepared curricula, teaching, and research activities.

Fully  
Accredited by:

# Vission

CIT is dedicated to developing students with practical skills and a mind-set that leads to a critical and analytical thinking oriented towards problem solving, and a set of values and ethics, to support creativity, innovation and leadership that shape their lives, careers and society at large.

## Mission

CIT through the implementation of well-prepared curricula, teaching and research activities, and newly developed programs, seeks to promote a healthy spirit of competition and improvement within the Albanian education system.

# Experience the CIT Difference

## Outstanding Faculty

CIT prides itself on a distinguished faculty comprised of both local and international professors, creating a dynamic multicultural learning environment. They bring a wealth of real-world experience, ensuring that students receive practical and globally relevant education.

## Study in English

The programs are conducted entirely in English, providing students with the opportunity to enhance their language proficiency while earning their degree.

## Curricula

Our programs are based in North American curricula, offering students a world-class education that is both comprehensive and innovative.

## Flexibility of Study Programs

Our study programs are designed with flexibility in mind, allowing students to adapt their learning paths to align with current market trends. This approach ensures that students can balance academic pursuits with personal and professional development.

## Practical Mindset

CIT fosters a practical approach to education by embracing an open-door policy for collaborations and partnerships at national, regional, and international levels. This mindset provides students with hands-on experiences, networking opportunities, and exposure to real-world challenges.

# A Community that Feels Like Home

# Our Partners

# ERASMUS+ & CEEPUS

Erasmus+ Mobility is part of the broader Erasmus+ program, an initiative by the European Union (EU) aimed at advancing education, training, youth, and sport across Europe. At CIT, Erasmus+ Mobility emphasizes fostering **international mobility and collaboration** among students, faculty members, and staff within the EU and partner countries.

The Erasmus+ and CEEPUS programs are an excellent opportunity to develop both academically and professionally and improve foreign language skills.

CIT provides our students with the opportunity to study abroad, and enhance their studies by spending at least one semester in one of the many partner universities.

# International Partnerships

# Your Gateway to Success

Career coaching and guidance are integral components of a student's academic and professional journey, offering support whenever needed. CIT empowers students to make informed decisions about their future, aligning their academic pursuits with career aspirations.

CIT's programs meet high academic and professional standards, making its degrees highly valued by employers and universities worldwide.

**Career & Professional Development**

**Career Coaching & Guidance**

**Finding Jobs & Graduate Recruitment**

**Internationally Recognized Diploma**

**Workshops, seminars and professional development** activities to enhance your career and professional development. By offering a supportive environment and a wealth of resources, the students are not only academically accomplished but also professionally ready to excel in their chosen fields.

With over **200 vacancies** for internships and graduate positions, we ensure that every individual has the chance to step into a role that aligns with their skills, interests, and career goals.

# Learning Supports

**C-DATA**

Delivering high-quality training and professional development in advanced technological and managerial fields.

**CIT HUB**

A dynamic centre designed to offer a unique ecosystem where students, start-ups, and innovators can turn their ideas into reality.

**O'Reilly**

CIT Library provides students with access to one of the world's biggest learning platforms, O'Reilly.

# How to Become a CIT Student

RESEARCH &  
PREPARATION

STUDENT VISA  
APPLICATION

RESIDENCE PERMIT  
APPLICATION

DIPLOMA  
RECOGNITION

## STEP 01

### RESEARCH & PREPARATION

Students choose a Bachelor program at CIT and pay the registration fee online. CIT then issues a Letter of Acceptance, required for the student visa.

## STEP 03

### RESIDENCE PERMIT APPLICATION

After receiving the visa, students apply for a residence permit through [e-albania.al](http://e-albania.al) within 30 days of arrival, ensuring all legal and financial requirements are met.

## STEP 02

### STUDENT VISA APPLICATION

Students apply for a Type D visa via [e-visa.al](http://e-visa.al), submitting required documents like proof of admission, financial means, accommodation, and language proficiency.

## STEP 04

### DIPLOMA RECOGNITION

Students submit notarized and translated copies of their high school diploma to QSHA by post. Copies must also be sent to CIT's admission office to complete enrollment.

# Explore Albania

Albania is a place unlike any other European destination and home to centuries of history.

Albania is geographically located in Europe, in the western part of the Balkan Peninsula, and is easily reachable by air, land, and sea.

From one province to another, the climate of this small country varies from exotic Mediterranean to cold continental, with a relatively short winter and a hot, dry summer.

Albania is well known for its traditional hospitality and extraordinary nature.

# Explore the Vibrant City of Tirana

1

Tirana, the capital of Albania, is a bustling European metropolis brimming with culture and boundless energy. With its museums, cinemas, national theatre, cafes and taverns, Tirana is worth exploring by day or night.

2

Tirana is a city with a rich history. One of the ancient monuments, the Tirana Mosaic is believed to have been part of a 3rd century ancient Roman house.

3

The city is ranked in the Top 10 of the sunniest cities in Europe with a total of 2,544 hours of sun.

# Flavours of Albanian Cuisine

Albanian cuisine, a true representation of the Mediterranean diet, is centered around fresh ingredients like olive oil, vegetables, fruits, and fish.

Iconic dishes include Fërgesë, a summer favorite made with tomato sauce, cottage cheese, green peppers, and garlic, and Byrek, a savory pastry filled with cheese, spinach, meat, or tomatoes. In northern Albania, Flija stands out as a crepe-like dish served with fresh dairy products.

TavëKosi, lamb baked with yogurt, rice, and eggs, offers a unique balance of sour and savory flavors. For dessert, Baklava is a crunchy, syrupy treat with walnuts and layers of filo dough, reflecting Albania's love for bold yet harmonious flavors.
